

PMI Olympia WA. Chapter - 1st Meeting

Attention Project Managers! Help welcome in another chapter of the Project Management Institute (PMI) in Washington by visiting the new Olympia WA Chapter!

PMI is the leading organization for the advancement of project management and certification of project managers. Until now, project managers in Olympia have attended the Puget Sound chapter meetings held in SeaTac. While the meetings have certainly been valuable, the location and driving has been difficult at times. A group of Olympia based PMI members have founded a new chapter in Olympia and are seeking new members. Join the Olympia chapter now at WWW.PMI.ORG. **We look forward to seeing you, member or not!**

“21 Project Management Success Tips”

Karl Wieggers, www.processimpact.com

Many new project managers receive virtually no training for the job. Sometimes you have to rely on survival tips from people who have already done their tour of duty in the project management trenches. Here are 21 such tips for success, learned from both well-managed and challenged projects. They include 4 suggestions for laying the foundation for project success, 6 for planning the work, 7 for estimating the project, 3 for tracking your progress, and 1 tip for learning for the future.

Directions to The Evergreen State College

- 1.) Take Interstate 5 (I-5) to Olympia
- 2.) Take the 104 exit onto US-101 North
